

**Content**

1. Electrical specification: .....4

    1.1 Input electrical characteristics ..... 4

    1.2 Output electrical characteristics .....4

    1.3 Protection ..... 5

    1.4 Signals .....5

2. Isolation .....6

    2.1 Insulation resistance .....6

    2.2 Dielectric strength .....6

3. Safety .....6

4. EMC ..... 6

    4.1 EMI ..... 6

    4.2 EMS .....7

5. Reliability and environmental requirement ..... 7

    5.1 Temperature .....7

    5.2 Humidity ..... 7

    5.3 Altitude .....7

    5.4 Cooling method .....7

    5.5 Vibration .....8

    5.6 Shock .....8

6. Dimension ..... 8

    6.1 PCB ..... 8

    6.2 Mechanical specification ..... 8

    6.3 Derating curve .....10

7.Other characteristics ..... 11

    7.1 MTBF ..... 11

    7.2Weight ..... 11
